

Schnell Motor Flush

Product Description:

Restores peak power up to 99%. Removes carbon build-up on engine parts resulting in increased engine compression and performance. Protects engine expensive damages.

- Excellent engine cleaner
- Optimum reliability

Uses:

- Oil change
- Rough running engine
- All engine repairs
- Engine sludge and lacquer build-up

Analysis Result

Test	Method	Unit	Result
Kinematic Viscosity @ 40°C	ASTM D445-09	cSt	1.51
